Eduard Vidiella

UX/UI Designer & Illustrator

Passionate about digital product design, usability and illustration. Dynamic, responsible and creative, adaptable and eager to learn. I enjoy teamwork and bringing ideas and commitment to every project.

Experience

UX/UI
Viajesparati.sl
May 2025 — Present

Design system and components in Figma (Atomic Design) for Esquiades, Amimir, Buscounchollo and Jump2spain, across desktop, Android and iOS. Developer handoff and agile management with Jira.

UX/UI
Bertrandt para SEAT/CUPRA
Oct 2022 — May 2025

HMI interface for Cupra Born, Tavascan and Raval and SEAT Leon and Arona. Component libraries in Sketch and Figma, working closely with UX, product and development.

Design & illustration
Cabuya Handmade
Oct 2021 — May 2022

Illustrations, iconography, banners and graphic assets for the website, adapted to desktop, tablet and mobile.

Packaging design
Indugraff Offset
Oct 2018 — Oct 2019

Structural packaging and carton design, die-lines with ArtiosCAD and print-file validation.

Design & communication
Grupo Lober
Oct 2016 — May 2018

Social media content, campaign signage, newsletters and web banners, plus email marketing with Mailchimp.
